

ADDRESSING HEALTH INEQUALITIES

Closing the Gap

Thursday 15 October 2009, Hilton Metropole, London

'Promoting positive health outcomes for all groups and communities - identifying and overcoming barriers to inclusion across the whole range of health services'

Do you find engaging with BME communities challenging?
How can we ensure world class healthcare for BME groups?
Are you able to sustain engagement with local communities?

The conference will include interactive sessions giving:

- Practical examples and ideas on provision of services that are flexible, and responsive to cultural, physical and social differences.
- Learning from the 'Healthy Communities' approach to reaching a diverse range of service users.
- Hearing about different approaches to improving health from a range of perspectives; GPs, 3rd sector and local authorities.
- Successful outcomes from partnership working – the levers and barriers.

Places at this event are limited so please book well in advance. If we receive your application and the conference is full we will notify you and put your name on a waiting list.
