

Celebrating Quality Improvement in Care Homes

Has your team improved services for residents?

The 5th Annual Guy Rotherham Awards 2009 this year include a special new category. The award:

- Celebrates quality improvement and better outcomes for residents
- Is open to any care home team based in the UK
- Is also open to care home teams who have participated in the Improvement Foundation's Tackling Healthcare Associated Infections Outside of Hospital Programme.
- Welcomes applications from individual care homes as well as cross-organisational teams

Winner's prize: £2000

Plus

Dinner and presentation at this year's
NHS Alliance Conference in October 2009.

Closing date
24 July 2009
